## VARSITY LETTERS IN SOCCER, FOOTBALL AWARDED AT ANNUAL CHRISTMAS DINNER

'UNCLE TOM' MERCER  
Toastmaster at Christmas Dinner

### GAYDEN MORRILL, TRUSTEE OF ACADEMY, DIES SUDDENLY

Gayden Wells Morrill, for many years a member of the Board of Trustees of the Academy, died in Newburyport of a heart attack on November 2.

Mr. Morrill, a retired manufacturer, had served two terms as mayor of Newburyport and was active in many civic enterprises. His interest in education was well known. He had been largely responsible for the construction of the excellent Newburyport High School during his terms as mayor of the city; and at the time of his death he was president of the Wheelwright Fund of Newburyport as well as a trustee of Governor Dummer.

*Mr. Morris A. Oliver, English  
War Veteran, Principal Speaker*

On Thursday, December 16, the annual Christmas Dinner took place in the Lang Gymnasium, with 'Uncle Tom' Mercer acting as toastmaster. Principal speaker of the evening was Mr. Morris A. Oliver, for five years a prisoner in Germany in a Royal Air Force Camp.

The presentation of athletic awards and letters followed the dinner. W. Rodman Jennings of Newton Centre received the Varsity Football Trophy as the most valuable member of this year's team. The Varsity Soccer Trophy, for that boy whose spirit, enthusiasm, and leadership contributed most to the success of the team, went to E. Ashley Eames of South Byfield.

Varsity football letters were awarded to twenty-six players and two managers by Head Coach Arthur W. Sager, who spoke briefly on the season as a whole and on the exceptional morale of the boys. Mr. William E. Traver, II, assistant soccer coach, also spoke and awarded letters to fifteen players and one manager of the varsity soccer squad. A full list of the awards will be found on page 12 of this issue.

The election of David W. Yesair of Byfield as soccer captain for 1949 and Philip M. Long, Jr. of Lancaster, Pa., and Paul A. Samborski of Lexington as co-captains of football was announced at this time.

After the award of letters, Mr. Oliver gave a very interesting account of his work as an instructor in the "Barbed-Wire University" which permitted thousands of young English airmen to carry on their education after being shot down over the continent and confined in the German prisoner-of-war camp.

At the close of the evening's program, Mr. Sager, director of the Academy's Glee Club, led students and guests in singing Christmas carols.

## GLEE CLUB OPENS SEASON IN CONCERT AT WAYNFLETE

The Governor Dummer Glee Club opened its season on December 11 in a joint concert with the Waynflete School in Portland, Maine.

Among the selections sung by the combined clubs were *'Twas the Night Before Christmas*, arranged by Scott, and the finale from *The Gondoliers* by Gilbert and Sullivan. As their part of the program the Governors contributed *Russian Picnic* by Enders, *Adoramus Te* by Palestrina, and a medley of Victor Herbert favorites.

In addition to many experienced members from last year's group, the club has several new boys who show much promise and musical ability. The roll includes sixty-five boys, approximately the same number as last year.

## GOVERNOR DUMMER TO ORGANIZE NEW BAND

Governor Dummer's newly organized band will soon be ready to make its initial appearance. Nearly thirty candidates appeared for the organization meeting, and regular weekly rehearsals are now being held, coached by Mr. Everett D. Sirois of Newburyport, for many years director of both the band and the orchestra at Phillips Exeter. Mr. Sirois is capable of giving instruction in all band instruments.

The Academy has purchased a number of background instruments and the boys have supplied many of their own. Most of the candidates have already had considerable training and experience in band work, and a successful season seems probable. Mr. Robin Goodenough is acting as faculty adviser.

Being the second antique fire engine or "hand tub" purchased by Mr. Eames, the PEPPERELL No. 1 is sometimes called "The Headmaster's Folly", but the boys enjoy reconditioning and polishing it.

### DR. ALLEN ENTERTAINS ALUMNI CLASS AGENTS

---

On December 3 Dr. Arthur W. Allen of the Board of Trustees entertained the class agents of the Alumni 1763 Fund at a dinner at the Harvard Club of Boston. Dr. Allen, a noted Boston surgeon, past president of the American College of Surgeons and Honorary Fellow of the Royal College of Surgeons, is now president of the Massachusetts Medical Society. He has been a member of the Board of Trustees of the Academy since 1938.

Mr. Marshall B. Dalton, president of the Boston Manufacturers' Mutual Fire Insurance Company, and also a member of the Board of Trustees and treasurer of the Academy, spoke at the meeting about his work as general chairman of the current campaign to raise twenty million dollars for Massachusetts Institute of Technology.

More than twenty class agents attended the dinner and the preceding social hour. The faculty was represented by Mr. Eames, Mr. Mercer, Mr. Murphy, Mr. Navins, Mr. Traver, and Mr. Ragle.

### ADMISSIONS OFFICERS TALK OF COLLEGE LIFE

---

During the fall term the Academy has enjoyed visits from the admissions officers of a number of colleges. These visits are very helpful both to students already headed for some definite college and to those who have not yet reached a decision.

Most of the representatives have spoken at least briefly at the evening meeting of the school and at greater length to smaller groups after the meeting.

Those who have visited the school this fall are:

Mr. Calvin W. Miller, Director of Admissions, Hobart College, Geneva, New York, on October 14.

Mr. C. William Edwards, Assistant Director of Admissions, Princeton University, on October 20.

Mr. Emery R. Walker, Jr., Dean of Admissions, Brown University, on November 2.

Mr. Eugene S. Wilson, Jr., Director of Admissions, Amherst College, on November 16.

Mr. Byron C. Hayes, Director of Admissions, Lehigh University, Bethlehem, Pennsylvania, on November 22.

Mr. Milton V. Lindholm, Director of Admissions, Bates College, on November 29.

Mr. Stanley V. Wright, Director of Admissions, Middlebury College, on December 1.

Mr. Robert K. Hage, Assistant Director of Admissions, Dartmouth College, on December 2.

Mr. Paul Hazelton, Assistant Director of Admissions, Bowdoin College, on December 10.

## SOCCKER AND FOOTBALL SQUADS USHER AT HARVARD-YALE GAME

---

Fifty members of the varsity football and soccer squads served as ushers at the Harvard-Yale football game at Cambridge on November 20. Other ushers were recruited from the Harvard undergraduates and from Cushing Academy.

The Governors left the Academy by special buses at 10:15 Saturday morning, had lunch in Cambridge, served as ushers, and saw the game from their posts in the aisles. They were particularly pleased to see Henry Dunker of the class of 1947 appear in the line-up and earn his varsity letter.

*October 24:* Dr. Morgan P. Noyes of the Central Presbyterian Church of Montclair, New Jersey.

*October 31:* The Reverend Richard J. Schaper of the Byfield Parish Church.

Dr. Noyes said that we take too much for granted. A Christian is one who accepts from God casually gifts that ought not to be wasted or misused. Democracy, which leaves us free to do the best for the public, is one of the most important things that is taken for granted. Jesus gave his life for democracy and the welfare of the world, and we should not forget the importance of either.

Mr. Schaper described how Ghandi influenced the people of India and the method he used. Ghandi changed the ways of one-fifth of the world's population, not by violence, but by non-violence; and he gave the

---

Eighty-three members of the Academy English classes went to Boston on Sunday afternoon, October 31, to see the movie of Lawrence Olivier's *Hamlet*. Transportation was by buses supervised by Mr. Murphy and Mr. Goodenough.

The movie was of particular interest to the members of the senior and junior English classes since many of them had already studied the play and others will before the end of the year.

people of India a new spirit and outlook on life. Mr. Schaper said that there are three ways people can act: they can return evil for good, which is the lowest way; they can return good for good and evil for evil, which is a higher way; and they can return good for evil. Ghandi stressed the last.

\* \* \*

Mr. Barstow talked about influence which Christians radiate to others and how Christians recover from the difficult situations that inevitably happen. There are two qualities, Mr. Barstow said, that a person must have to be a Christian. He must have integrity, which gives him stability and worth; and he must have altruism, which gives him a sense of looking out for others.

\* \* \*

Dr. Ogilby said that the principle of successful living is the attitude we take towards a misfortune. It is not the misfortune that will determine our lives but the attitude we

\* \* \*

Dr. Coe said that we seem too ready to fight and resort to violence when any critical situation arises. We live in an age which could be better than any other; but, if people find relaxation in gadgets and material things and leave religion neglected, this age may be one of havoc. Science is helping explain many spiritual things; the two are very closely linked.

## EDITORIAL

For students in boarding school the adage "A man's home is his castle" has a special significance. Governor Dummer is our home for the better part of the year, and every effort should be made to accept responsibility for its preservation and protection.

Our school has a rich heritage, one to be proud of, and it is evident that most of the students, particularly the upper classmen, do take pride in it and conscientiously seek to preserve it. They should, however, go one step further; they should seek to develop the same pride and sense of responsibility among the new boys.

Through the generosity of alumni and friends, Governor Dummer already has a substantial sum set aside for a new gymnasium. By the way we take care of what we already have, we can all help to encourage other donors to add to that fund and so hasten the construction of the building.

## VICTORY OVER TABOR ENDS SOCCER SEASON

On Saturday, November 13, the Governor Dummer soccer team completed its season by scoring in the last two minutes of play to defeat Tabor 2-1. The game was played on Whipple Field.

The first period saw the Governors press Tabor hard although they did not score. Tabor, however, was able to penetrate the Governors' defense in the second period to take the lead 1-0. The Red and White team continued to press, and Tabor went completely on the defensive as they vainly tried to keep the ball out of their territory.

The second half opened with the Governors still trailing 1-0 but handling the ball with precision. Then early in the third period John Veasey tied the score with a beautifully executed on-the-spot goal. The Governors constantly pressed hard throughout the whole game, and with two minutes remaining Ash Eames booted one into the strings to send the Governors ahead to win 2-1.

## GOVERNORS WIN SIXTH STRAIGHT FOOTBALL GAME

The Governor Dummer football team remained unbeaten and untied by staging a breath-taking come-back to defeat the Moses Brown team on Morse Field, Saturday, November 6.

On the opening play, after the Governors had kicked, Rod Jennings recovered a Moses Brown fumble in the end zone and then went over again on a short pass from Canepa to get the extra point.

Then the Governors went on the defensive, but the Moses Brown team would not be held and swept to a touchdown and added the extra point by a place kick. The Red and White team threatened late in the second period and were in possession of the ball on the 3-yard line when the half ended.

At the start of the second half the Moses Brown team scored again but did not make the extra point. Undaunted, the Governors scored on a trick pass play from Jennings to Captain Martin and then Martin caught the extra-point pass to give the Governors a 14-13 lead which they held.

SOCCER TEAM BEATEN BY  
MILTON ACADEMY 1-0

---

The Red and White soccer team, traveling to Milton on October 23, dropped its closest game of the season to the favored Milton team, 1-0. The Governor Dummer team opened the game with an aggressiveness that had been lacking in previous games and pressed the Milton team during the first quarter. Midway in the second period, a free kick was called on the Red and White in the penalty zone, and the Milton team tallied on this opportunity.

The Governors pressed vigorously in the third quarter, but the Milton goalie made two beautiful saves, thus preventing the Red and White from scoring. Again in the last period of play, the Milton club successfully shut out the Governors by good defensive play.

The entire Red and White team played its best game of the year both offensively and defensively with credit for outstanding performances going to Captain Veasey, Ash Eames, Manson Hall, and Rob Deering.

Line-up: lo, Yesair; li, Captain Veasey; ri, Eames; ro, McCully; lhb, Statler; chb, Emery; rhb, Hall; lfb, Getchell; cfb, Otis; rfb, Tyler; goal, Deering.

GOVERNORS SCORE FREELY  
TO BEAT WATERTOWN 4-0

---

The varsity soccer team won its second game of the season on Wednesday, October 20, by defeating Watertown High School 4-0. Captain John Veasey headed in a well-executed shot early in the first period to start the Governors rolling. By virtue of Ash Eames' bullet-like penalty shot in the second stanza, the Red and White led at half time 2-0.

The second half of the game was wholly dominated by the strong Governor Dummer line. Eames and Yesair each hit the strings in the third quarter. The team play of the forward wall had the Watertown club completely bewildered throughout the latter part of the game. In the last period a great many of the Red and White reserves saw action. Noteworthy were the extraordinary play of Pete Statler at halfback and the outstanding performance of Veasey, Yesair, and Eames.

#### GEE-BEES LOSE TO HAVERHILL IN LAST MINUTES OF PLAY

On Wednesday, October 27, a spirited, hard-fighting G-B eleven came from behind in the second half and momentarily tied the more experienced Haverhill High School seconds, only to have the Haverhill team push across a second touchdown in the closing minutes of play. The final score was Haverhill 12 and Gee-Bees 6.

Captain Bill Rex once again performed in an outstanding manner, scoring the Gee-Bee touchdown on an end sweep from the single wing.

#### PONY FOOTBALLERS WIN FROM EMERSON SCHOOL

The Pony football team played the Emerson School of Exeter on Morse Field, Friday, October 22, and put on a wonderful show by beating them 14-6. The two touchdowns were made by Francis Webb and the two extra points by Davidson and Lougee.

Emerson's only score came on a fine run by Bob Percival, the right halfback. Pete Remis played an excellent game for the Ponies. The line held well throughout the game, something they had not done in other games.

### SOCCER TEAM TRIUMPHS OVER M.I.T. FRESHMEN

On October 30 the Governor Dummer soccer team swept to their third win of the year by beating the M.I.T. freshmen 4-0 at Cambridge. Behind the scoring teamwork of Eames and Veasey, who scored three times, and Charlie Bowen, who also punched one through the nets, the Governors romped over their opponents.

The team play was accurate and careful with few mistakes. Bob Deering starred in the goal, making numerous saves and kicking long soaring punts to thwart M.I.T.'s scoring attack.

### ST. PAUL'S SOCCER TEAM DEFEATED BY GOVERNORS

Chalking up their fourth win of the year, the Governor Dummer soccer team defeated the St. Paul's team 4-0 at Concord on November 3. The Red and White pressed the St. Paul's team all during the first half, but the fine defensive work of the opposing squad kept the Governors scoreless.

At the onset of the third period the Governor Dummer eleven displayed their offensive drive and scored on a hard-kicked shot by Ash Eames. Late in this same period Captain Veasey headed in a well-placed center to add another tally.

## GOVERNORS TAKE THRILLER FROM BELMONT HILL TEAM

On Saturday, October 30, the Governor Dummer football team edged out a spirited Belmont Hill team 25-20 on Morse Field. The outstanding feature of the game was the strength each team had on the offense. The Governors scored in the first period on a pass from Samborski to Jennings, having moved deep into Belmont territory by the running attack of Martin and Reed, but failed to convert for the extra point.

Belmont came back from this touchdown, however, to score themselves; and it was a tie game when they, too, failed in their try for the extra point. Near the end of the second quarter the Governors surged ahead as Brock Martin caught a special pass from Jennings. Again they failed to convert and the score stood 12-6 at the end of the first half.

To begin the second half the Governors received the ball and advanced to the Belmont thirty when Brock Martin broke away for a touchdown run. The extra point was scored on a pass from Canepa to Jennings. Then Belmont Hill broke loose and rolled to their second touchdown, breaking through the Governors' line continuously for long gains. They added the extra point and the score stood 19-13 for the Governors. Again the Red and White team broke through for

## SOCCER TEAM SCORES OVER BELMONT HIGH

On November 5 the Governor Dummer soccer team met and defeated a fighting Belmont High School team 2-0 at Whipple Field. The Governors took an early lead when a high kick escaped the Belmont goalie in the first period. Soon thereafter Ash Eames took a pass from John Veasey and scored again at an almost impossible angle. Throughout the remainder of the game the Governors held fast to their lead over the battling and inspired Belmont team.

Outstanding in the game were Pete Statler, Ash Eames, and John Veasey. Statler repeatedly kicked long shots to keep the ball in offensive territory where Eames and Veasey worked it in and out with amazing skill. Team work and spirit were main factors in the Governors' defense and the whole team deserves credit for their victory in this hard-fought game.

gains and Bud Reed crossed into the end zone after a 30-yard jaunt through the line. The Governors failed to convert. Then again the scrappy Belmont team fought back and pushed deep into the Red and White territory before they plunged over for their third touchdown to make it 25-20 after they made good their extra point.

## WINNING STREAK BROKEN IN LAST FOOTBALL GAME

---

The previously undefeated Governor Dummer football team dropped the final game of the season on Saturday, November 13, to a strong Tabor eleven at Marion 7-0. The first half was marked by hard and aggressive play by both teams with no scoring and little passing by either. The second half saw Brock Martin break through for numerous long gains which were, unfortunately, called back. Late in the third period Tabor broke deep into the Governors' territory on a pass interception penalty, and in the following plays Tabor was successful in pushing across the ball and adding the extra point to take a lead which they never lost.

The Red and White team staged a marvelous comeback and barely missed scoring when Pete Yates slipped on the five-yard line.

Despite the defeat in its final game, the 1948 football team ranks as one of the best in the Governors' history.

## J.V. SOCCER TEAM DROPS CLOSE GAME TO REVERE

---

On November 11 the J.V. soccer team lost a hard-fought game to a strong Revere eleven on Whipple Field. In the first period the Governors scored on a perfect corner kick by Phil MacInnis, which was headed into the enemy goal by John Gill. Revere then rallied with scores in the second and third periods, and though the Governors pressed hard, they were unable to overcome the Revere lead.

## PONIES EVEN SERIES WITH EMERSON SCHOOL

---

The Pony football team defeated an evenly matched Emerson eleven by the score of 7-6 at Emerson on November 4.

Coming from behind early in the second half, the Ponies scored their only touchdown when Webb crossed the line on an end run. Barry Lougee then plunged for the extra point to give the Red and White a 7-6 lead which they managed to keep for the remainder of the game.

## SOCCER TEAM BOWS TO STRONG MEDFORD ELEVEN

---

The varsity soccer team lost 3-2 to a very strong and experienced Medford team on Wednesday, November 10, at Whipple Field. Both teams played exceptionally well, and the game was decided in an overtime period.

The Medford team scored their first goal in the first few minutes of the game. The Governors came back promptly when Captain John Veasey headed in a beautiful center by Ash Eames to tie the game up 1-1. Before the half had ended, Medford scored a second goal.

In the second half the Governors seemed to press harder, and Ash Eames kicked in a powerful shot to tie the game up once again. Both teams fought very hard during the remainder of the half, but the game ended 2-2. It was then decided that two three-minute overtimes would be played.

In the last minute of the first overtime the Medford team scored their third goal of the game. During the last three-minute overtime the Governors had the ball in the Medford territory most of the time but were unable to score, and the game ended 3-2.

## GOVERNOR DUMMER ELEVEN TRIUMPHS OVER MILTON

---

The Governor Dummer football team continued its winning streak by defeating an aggressive Milton eleven 13-0 on Saturday, October 23, at Milton. The Milton team proved stronger than expected and held the Red and Whites scoreless in the first half. The Governors' offense finally clicked at the start of the third stanza and they rolled inexorably down to the Milton four-yard line, where Bud Reed plunged over. John Canepa drop-kicked the extra point.

Milton could do nothing upon receiving the kickoff and was forced to kick. Again the Governors started to roll. Samborski tossed Jennings a 35-yard pass, and Reed made fifteen through the center of the line. One play later John Canepa skirted the end for the second score. The attempt at the conversion was blocked.

The running of Bud Reed and Brock Martin, the passing and kicking of Samborski, the defensive play of King and Long, and the capable play-calling of John Canepa were the highlights of this hard-fought game.

J.V. SOCCER TEAM

BEATEN AT MILTON

On Saturday, October 23, the J.V. soccer team was defeated by a very strong Milton team. The Governors played extremely well but lost a thrilling game 3-1. In the first period the Governors outplayed the Milton team, and towards the last of the period Bill Drake scored their only goal. The second period began like the first, but the Milton team slowly gained the upper hand and at the close of the period kicked in their first goal of the game.

The third period saw the Milton team even more aggressive, and two more goals were scored. The Governors gave all they had, but Milton was able to hold the score 3-1 until the end of the game. Outstanding for the Governors were Jake Brown and Captain Dick Wood.
